LEGAL DISCLAIMER

The Program is not intended to supplement or supplant third-party prescription drug coverage by public or private payers. While DuchesnayUSA will make every effort to grant aid when needed, the Program is limited by available resources and may be discontinued or changed at any time. Prior to application to DuchesnayUSA, the medical provider should determine that the patient is an outpatient, ineligible for third-party outpatient prescription drug coverage under private insurance, government funded programs (Medicaid, Medicare, VA), or private/community sources, and unable to afford the cost of therapy on their own. DuchesnayUSA products are offered to patients through licensed practitioners with valid DEA and state license numbers. The Program is for individual patients who fall within the Patient Assistance Program pre-established criteria. It is not intended for clinics, hospitals and/or other institutions. This application must be completed to enter new patients into the Program. The medical provider's signature is required on all applications. Once the application is received and it is determined the patient qualifies for the Program, delivery may take up to one week.
